Course Description

Understanding bias, particularly our unconscious bias, is fundamental to a productive and creative workforce. By understanding biases, individuals can learn to manage them better and therefore foster a culture of inclusion between teams and across the organisation.

In this course we explore:

- why we have biases
- the different bias categories
- how to identify bias
- effectively managing conscious and unconscious biases
- the benefits of a diverse and inclusive workforce

Course Benefits

After completing this course, you will be aware of the impact bias can have on organisations, and how to reduce and manage your own bias. You will be able to identify biases and be able to challenge these thoughts, behaviours, and attitudes to help create a more inclusive workplace.
